

Welcome from the Bowman PTA !

Welcome to all the new and returning Bowman Families!

We are so excited to begin the 2008-09 school year as the new PTA CO-Presidents. We believe that Bowman is such an amazing school with an incredible amount of energy because of the winning combination of students, teachers, staff and parents. As you know, parental involvement has a tremendous impact on the overall success of school and the students we serve.

Bowman is very fortunate to have many parents who are dedicated to doing the best for our children, volunteering their time in the classrooms and library, Fall Festival, collecting Box Tops for Education, publishing our student directory and Insider's Guide, Family Math Nights, Variety Show, Bingo Night, Craft Fair, Book Fair, International Festival, Safe Routes to School and much, much more. There are many places where you can see evidence of the hard work the PTA parent volunteers do to make Bowman a great learning place for our children.

The PTA also helps support unfunded or under-funded school programs such as Museum of Science traveling science program, Staff stipends, technology advancement, field trip support, library and classroom materials, many items that are requested by staff through the PTA's mini-grants, and all the activities that are run by the PTA volunteers.

Your membership dues help create an important foundation for our annual budget. It helps us meet all the needs of all the Bowman children while supporting the staff in a number of ways. Please join the PTA. We need you!!

There are so many ways that parents can contribute, and by joining the PTA you can make a statement that you support the mission and activities of our organization. Our students are our most valuable asset and we are encouraging everyone to become involved with your child's educational experience.

Lastly, we would like to thank Jen Vogelzang and Lisa Nardone our outgoing Co-Presidents for all their hard work! THANK YOU!!

If you have any questions or ideas, please contact us.
